ANMAC ACCREDITATION

Australian Nursing and Midwifery Accreditation Council (ANMAC) helps to protect the health and safety of the Australian community by establishing high-quality standards of nursing and midwifery education, training and assessment.

Skills Training Australia is accredited by ANMAC to deliver the Diploma of Nursing.

COURSE INFORMATION

The Health Services and Nursing qualifications outlined in this brochure have been designed to ensure that students develop the required theoretical knowledge and practical skills to provide high levels of Nursing care within a health care setting.

Each of the qualifications provides students opportunities for practical learning, both in a simulated and real work environment.

Graduates will possess the required competence to meet workplace demands in a health care setting.

COURSE DELIVERY & ASSESSMENT METHODS

HLT33115 Certificate III in Health Services Assistance

Delivery of this program is face to face for 20 hours per week, across 36 weeks in total - including 120 hours of Clinical Placement.

HLT54115 Diploma of Nursing

Delivery of this program is face to face for 20 hours per week, across 78 weeks in total - including 400 hours of Clinical Placement offered in 4 distinct blocks.

HLT64115 Advanced Diploma of Nursing

Delivery of this program is face to face for 20 hours per week, across 24 weeks in total - including 40 hours of Clinical Placement.

Assessment methodology for these qualifications, may include but is not limited to tests and examinations, classroom and simulation participation, case studies, clinical placement assessment, essays, role plays, group assessments and presentations.

Students are expected to bring their own computers/laptops to classes.

STUDY PATH

Training is delivered in stages which correspond to Australian Quality Framework (AQF) Level III, V, VI. The preferred pathway for a qualification is for students to complete the requirements of the previous level qualification before progressing to the next level – thereby achieving more than one qualification.

Direct entry into the Diploma of Nursing is possible.

To gain entry into the Advanced Diploma of Nursing, students must have successfully completed the Diploma of Nursing.

We aim to equip our graduates with the necessary skills and knowledge to enable them to successfully satisfy the demands of the workplace.

ACADEMIC YEARS / START DATES

There are 40 teaching weeks per annum with the year divided into 4 terms of 10 weeks each. The academic year begins in late January and ends late November. Intakes are at the beginning of each term.
